

## PRINCETON YOUNG JUMPER CHAMPIONSHIP RULES AND REGULATIONS

### 4 YEAR OLD PRINCETON YOUNG JUMPER CHAMPIONSHIP RULES AND REGULATIONS

All 4 year-old horses are welcome to compete in the Princeton Young Jumper 4 year-old Championship.

Entries: 4 year old PYJC Entry Fee: \$200. Acceptance of entries will be made on the basis of entry postmark. **Entries for the Princeton Young Jumper Championships must be received at the Princeton Show Jumping Office office by the show closing date (September 16).**

Eligibility: PYJC: Horses must produce a National passport or a USA Vet Certificate stating the horses breeding and foal date.

COURSES: All courses will be made as inviting as possible for green horses with limited or no experience in a show ring situation. Very simple tracks will be used with hunter-type lines and jumper-type fences. The course will be designed to aid the horses in showing their natural talent in the very early stages of their training. Judges will be considering the potential of these young horses for a future in the jumper/grand prix rings. A rail down or refusal will not automatically eliminate a horse from placing well in the competition if, in the judges' opinions, the fault occurred due to rider error or a "green" mistake.

ROUND 1: Each horse will perform an individual 2-minute "freestyle" flat phase with trot and canter circles in both directions, demonstrating lengthening and shortening of stride. The horse will remain in the ring and upon the sound of the tone will jump a course of fences with simple distances. A trot fence may be included in this round. Fences in Round 1 will not exceed 3' in height and 3'6" in width, giving the judges and course designers the opportunity to evaluate the quality and experience of the horses at each particular event. Horses may be shown in running or standing martingales, but draw reins are not allowed.

ROUND 2: All horses will return (the following day,) to be shown over a course of fences up to 3'3" in height and 3'6" in width. Simple double combinations may be included. At the Course Designers and Judges discretion options may be included at a maximum of two of the fences. These options may not exceed 3'9" in height and will allow riders to show their horses to their own best advantage. Judges will not reward or penalize solely on the basis of which option is chosen. Horses may be shown in running or standing martingales, but draw reins are not allowed.

### PRINCETON YOUNG JUMPER CHAMPIONSHIP RULES AND REGULATIONS

Horses 5 years of age, 6 years of age, and 7 years of age. that complete the course in Rounds 1 & 2 are eligible for the Final in their respective division.

The Overall Champion, Reserve Champion and Top Ten will be determined as follows: All horses tied with the fewest TOTAL faults over Rounds 1, 2, & 3 will participate in a jump off for the Championship. Placing for horses not involved in the fourth round will be decided first on the basis of fewest total faults, then on fewest faults in Round 3, then in Round 2. then Round 1. Further ties will remain equal.

Acceptance of entries will be made on the basis of entry postmark. **Entries for the Princeton Young Jumper Championships must be received at the Princeton Show Jumping Office office by the show closing date (September 16).** \$200 Nomination & Stall Fees are due with entries and are non refundable after the closing date.

Eligibility: Foreign Bred horses must present a National Horse Passport; USA TB horses must present Jockey Club Papers, USA non-TB horses must provide a letter from the foaling Veterinarian attesting to the horse's date of birth. USEF Recording Certificates will NOT be accepted for proof of a horse's age. FEI schooling rules and USEF drug rules apply.

**5, 6 and 7 year old Young Jumper horses must be on the grounds 4pm Tuesday, October 2 and check in with the Steward at the Hunter Farms stalls.**

**No horses may leave the show grounds until the end of the Championships unless with drawn. Horses must have their entry number displayed when out of their assigned stall.**

Jackets are required for Rounds 1 & 2; Formal attire is required for the PYHC Finals.
